Dedication

Dedication

We, the Class of 1954, wish to dedicate The Echo to Mrs. Beulah Davis, Shadeland's first grade teacher for the past seven years. Her warm smile and guiding hand have won the love and affection of many students.

With the best of wishes for the future, we dedicate to her this edition of The Echo.

Shadeland School

Forward

Our future has now begun,
Again a door swings wide--
A promise, yet a challenge, too,
And we meet it with joy and pride.

Through this open door we see a
Path
That winds as the years unfold;
We shall journey along--on our
Lips a song,
We face all with our hearts so bold.

We face these years ahead of us
With memories so happy and gay--
Our Teachers, our friends and our
Classmates all,
Studies, parties, classes and play.

We love the dear schooldays gone by,
And loyal to them, we shall be;
The lessons you've taught and the
Goodness you've brought
Will brighten our future with glee.

For the future we face--and face
It we must,
The path we shall walk with firm tread;
Unfaltering steps, strengthened by faith
Shall stand each of us in good stead.

As our future begins, and we bid you
Farewell
Our hearts ring out boldly in song,
Bidding us all to hasten forth
Into a world we shall help to make strong.

Forward we go in search of good--
Out toward the golden rule,
Toward hopes, toward courage, toward faith,
And toward trust,
As we say "goodbye" dear old school.

You will linger forever in thoughts of
Pure gold;
May our loyalty, always be true,
Your banner we'll hold, dear green and white
As we bow and say fondly, "Adieu."
